

# Josip Ljubić

Product Design | UI/UX | Graphic Design

 August 5, 1996       Široki Brijeg, Bosnia and Herzegovina  
 j.ljubic96@gmail.com

## Profile

Product designer creating graphics for print and digital media and crafting interfaces that are simple, clear, and easy to use.  
I'm experienced in working with clients across different industries and really value the trust and good communication that come from these collaborations.

Skilled in Adobe Creative Suite and Figma, always exploring new ways to improve and keep my work fresh.
